CTA Digital's Universal mobile phone cooling fan cradle with gooseneck cigarette adaptor will make using your mobile device in your vehicle safer and easier all while keeping the phone cool to the touch. Your mobile device is held by soft-padded, adjustable clamps making it hands-free and safe to listen to on speaker phone. This device is great when using GPS on your phone, keeping it at a fixed level by the adjustable gooseneck stand for proper viewing angle. Cooling your hot to the touch phone is accomplished by a small, quiet fan, preventing your device from overheating. The mobile cooling cradle will provide you with a securely held, hands-free device that'll allow you to drive even safer.

Features Include:
- Soft, padded clamps for Universal mobile phone compatibility
- Flexible Gooseneck cigarette adaptor
- Cools mobile device while in use
